## **HB 2182 - SB 2890**

February 27, 2000

**SUMMARY OF BILL:** Requires parents to provide supervision to insure that a child complies with any and all conditions and requirements that the juvenile court orders a child who commits a delinquent or unruly act to follow. Also removes the provision that the child be under 16 years of age. Current law provides that the juvenile court may make specified orders of the parents of any child, under sixteen years of age who commits a delinquent or unruly act, to take reasonable steps to control the child's conduct or be subject to a fine up to \$50 and /or up to 10 days in jail.

### **ESTIMATED FISCAL IMPACT:**

**Increase Local Govt. Expenditures - Not Significant**

**Increase Local Govt. Revenues - Not Significant**

Impact depends upon the number of persons convicted of this offense and the resulting increased cost to local governments to confine such persons versus the increased revenues to local governments from fines levied and collected under the provisions of this bill; however, the fiscal impact is not estimated to be significant.
